NOTES

(The notes follow the numbering of the questions)

(1) Give a short description of your employment or business e.g. "computer operator" or "steel worker".

(2) Employees should give the name of employer. If employed by a company, give the name of the company paying your wages or salary, (not the ultimate holding company). Where you hold an office, give the name of the person or body which appointed you. In the case of a public office, this is the authority which pays you. In the case of a teacher in a maintained school, the local education authority; in the case of an aided school, the school's governing body.

(3) If a partner in a firm, give the name of the firm.

(4) Include the full name of the company.

(5) Only the name is required not the amount. You should include the name of the party, political association or person that has made these payments.

(6) This paragraph refers to the nominal value of the shares or securities when originally issued (often £1) not the traded value of those shares as appear in share price listings. It will include banks, building societies and also other corporate bodies. You do not have to indicate the number of shares. Also, you do not have to mention corporate bodies which do not have a place of business or land ownership in the County Borough.

(7) This paragraph refers to contracts for goods services or works. Simply describe the contract; there is no requirement to give great detail.

(8) A beneficial interest is a proprietary interest for your benefit (e.g. freehold/leasehold whether subject to a mortgage or not) you should describe it e.g. 'house'; give the address or a brief description (for 'land' give the location). Include your home. You should also include any property from which you receive rent, or of which you are a mortgagee. "Land" can include any buildings or parts of buildings.

(9) Land can include buildings or parts of buildings. You do not have to include here instances where the Council is the landlord of your employer.

(10) Include governing bodies of Schools/Colleges; all other outside bodies, WLGA etc. Please note that you will have to declare these appointments yourself. The onus is on the Member to declare in all cases.

(11) Note that simple membership will qualify for inclusion under this paragraph as well as greater involvement as a committee member or trustee.

- a) This will include Town or Community Council membership or membership of a health body
- b) e.g. CABs, CVS and other Voluntary Organisations etc.
- c) This includes campaigning pressure and lobbying groups. Note that some charities have a campaigning function.
- d) Only indicate the name of the organization.
- e) Include Sports Clubs, recreational clubs, working men's clubs, private investment clubs or Freemasons and others.
