

ALLOTMENT RENT REVIEW SEPTEMBER 2024

The Estates Committee of Neath Town Council have reviewed the current rates during a meeting on 12th September 2024. The review of the current fees was known to Allotment Representatives for both the Old Road and Fairyland sites.

Allotmenters will be aware that the annual charge for an allotment is usually invoiced at the end of September each year on a rolling basis in line with your Lease.

The Estates Committee discussed the current fees and proposed a recommendation to the Full Council meeting on 4th October, which was agreed.

The 2024/25 fees are therefore as follows:-

Full Year

Full Plot	£38.00 per annum
Half Plot	£30.00 per annum
Concession*	£25.00 per annum

Half Year

1st September to 28th February or 1st March to 31st August

Full Plot	£19.00 per annum
Half Plot	£15.00 per annum
Concession*	£12.50 per annum

Members wished to support both allotment sites with a low increase as possible and it was noted that an allotment was still less than £1 per week.

Invoices for the 2024/25 year will be issued shortly.

**Concession rates are at the discretion of Council.*
